Study Notes of ML, DL and RL

Jiuzhang

Update on January 11, 2024

Contents

Preface

Notes mainly refer to following materials:

* Machine learning

    – [lecture notes from cornell](#)
    – [lecture notes from cmu](#)
    – [lecture notes of CS229](#)

* Deep learning

    – [understanding deep learning](#)
    – [lecture video from Hongyi Lee](#)
    – [lecture notes from Stanford](#)

* Reinforcement learning

    – [lecture notes from stanford](#)
    – [lecture notes from umass](#)
